Route 22 eastbound ramp to I-78 westbound closed next week for paving in Phillipsburg, Warren County

Right lane closed on Route 22 eastbound ramp to I-78 eastbound

(Trenton) – The Route 22 eastbound ramp to I-78 westbound is scheduled to be closed and detoured next week as a resurfacing and intersection improvement project advances in Phillipsburg, Lopatcong, Pohatcong, and Greenwich, Warren County. In addition, the right lane on the Route 22 eastbound ramp to I-78 eastbound is scheduled to be closed for milling and paving. **Commercial vehicles carrying wide loads will be restricted and detoured during construction.**

Route 22 eastbound to I-78 westbound Full Ramp Closure
Beginning at 9 a.m. on Monday, July 28 until 9 a.m. Friday, August 1, the Route 22 eastbound ramp to I-78 **westbound** is scheduled to be closed in Pohatcong. The ramp closure is necessary to assist with milling and paving the right lane on the Route 22 eastbound ramp to I-78 eastbound. Motorists are advised to follow the posted detour.

Route 22 eastbound to I-78 eastbound Single Lane Closure
In addition, the right lane on the Route 22 eastbound ramp to I-78 **eastbound** is scheduled to be closed Monday, July 28 through Friday, August 1 at the same time. At least one lane will be maintained. The closure is necessary for milling and paving. Motorists are advised to slow down, use caution and expect delays when driving through the work zone.

Commercial vehicles carrying wide loads that are larger than 11-feet-wide wishing to take the Route 22 eastbound ramp to I-78 eastbound will be detoured. Commercial drivers are advised to follow the posted detour or plan an alternate route.

The work is part of the $10 million Route 22, Broad Street to I-78 resurfacing and intersection improvement project that will mill and pave approximately five miles of Route 22 eastbound from Miller Street in Phillipsburg to the I-78 Interchange. The project includes resurfacing the ramps to and from I-78 and will upgrade traffic signals at seven intersections:

1. Route 22 and New Brunswick Avenue
2. Route 22 and Greenwich Street
3. Route 22 and St. James Avenue/Uniontown Road/CR 519
4. Route 22 and Phillipsburg Mall
5. Route 22 and 1st Street
6. Route 22 and Roseberry Street

7. Route 22 and Ingersoll Avenue/Bates Street

Portable variable message signs are being used to provide advance notification of traffic pattern changes associated with the work. The precise timing of the work is subject to change due to weather or other factors.

Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information, and for NJDOT news follow us on X (Twitter) @NewJerseyDOT, on the NJDOT Facebook page, or Instagram @NewJersey.DOT.
